Dedication

We, the annual staff of Kyle High School, proudly dedicate this 1954 edition of THE PANTHER to MRS. C. D. WALLACE.

For the part she has played in the spirit of KHS, we want to express our deepest appreciation. We cannot put into words the great respect we have for her and we will remember her as one of the most devoted and faithful teachers anywhere.

Administration

Superintendent's Message

To The Student Body:

You are the pride and joy of your parents, community, and teachers. All of us are working for and with you for your future success. I wish to commend you most highly for the excellent work you have done during the past year.

Seniors, I am for you, and hoping for your success in the years to come. Our nation depends upon your successful living. The future of our Democracy and good government rest in your hands, and in the hands of High School graduates throughout our country. May you meet every coming situation, however great or small, successfully, in order that our posterity may be safe and secure with the blessings of a continued Democracy.

With best wishes to each of you,

James J. Maddux

Superintendent

Elementary Principal
